

JURASSIC MODELS

Price List – Spring 2021

This list supersedes all previous lists

Contact:- mike.jurassic@btinternet.com

NOTE:- ALL KITS CONTAIN THE WOOD, CARD & GLAZING PARTS etc

As appropriate to complete the basic body of the model.

SOME BUT NOT ALL kits contain wooden parts for the underframe and non-working brakegear, also castings, wheels, couplings etc - this is as shown in the listing below & varies between kits.

glue, paint & transfers are not supplied.

KITS ARE NORMALLY CUT TO ORDER

POSTAGE & PACKING - this is included to UK addresses, OVERSEAS will be EXTRA, please e-mail for quote before ordering. **Note that I no longer send to the USA & Canada!**

Please be aware that you are responsible for any customs duties charged by your government.

GAUGE CHOICE. Kits are normally to 32mm gauge but some are buildable to 45mm Gauge, marked '32 OR 45' where kits include wheels please order clearly if you want 45mm.

HOW TO ORDER – **JURASSIC MODELS** – ordering & payments.

Kits are mostly cut to order, due to occasional production delays inherent in being a part time business, please place an order via e-mail without payment which I will then process and request payment before despatch when ready. If you internet or phone bank I can send an invoice with the requisite bank details for direct payment, **this is my preferred method** otherwise I accept cheques (drawn on a UK bank only - £1 surcharge) payable to Jurassic Models (or Cash at shows) or Paypal invoice(5% surcharge on paypal) Some stock is carried at shows, but if you want to collect a specific kit please let me know well in advance so as it can be ready. All payments to be in GBP. Please note I am not VAT registered.
